BOARD OF WATER & SEWERAGE

MEDFIELD, MA 02052

508-906-3004

APPLICATION FOR LICENSE TO
INSTALL WATER & SEWERAGE

\$100 FEE – CASH OR CHECK MADE OUT TO
TOWN OF MEDFIELD

The undersigned hereby applies for a license to install, alter or repair water and/or sewerage house connections as required by the provisions of the Medfield Water and Sewerage Board, Medfield Board of Health, and the State Plumbing Code.

Name of Person or Firm making application

Address

Telephone Number where you can be contacted by the Water and Sewerage Board

A license will be granted subject to the following conditions:

1. Two Municipal references relative to prior sewer installations will be supplied.
2. A copy of your current Certificate of Liability Insurance will be supplied.
3. No work will be started on a particular installation until the homeowner or their agent has received and paid for a sewer installation/inspection permit form the Water and Sewerage Board.
4. Whenever any excavation is contemplated, the applicant shall be required to notify DIGSAFE before starting excavation on any private or public property as per State and Town laws and a "Jackie's Law" application will be paid for and submitted.
5. 24 hour notice will be given to the Water and Sewerage Board prior to inspection.
6. Work must comply with the regulations of the Water & Sewerage Board regarding pipes, jointing, backfilling, bends, cleanouts, etc.
7. Upon completion of a particular installation, an **AS BUILT PLAN** shall be submitted to the Water & Sewerage Board showing location, appropriate ground and pipe grades, depths and method of connection of said sewer and sufficient, permanent ties to allow future location of points of connection, bends, cleanouts, etc.

I hereby certify that I have read and fully understand the requirements of the Medfield Water and Sewerage Board and that I agree to comply with such regulations as existing or may from time to time be amended and, that I understand that this license does not include sewer connections to any interceptors. Failure to follow any regulation to the satisfaction of the Water and Sewerage Board will be cause for revocation of license.
