

MEDFIELD PUBLIC SAFETY BUILDING USE REGULATIONS

When using the training room or conference room at the Public Safety Department, please remember we are an agency open 24 hours a day, seven days a week. While you are having a meeting, our staff is working in this building. We would appreciate your consideration in keeping a low noise level.

Since we do not have a full time janitorial staff as of this time, food will not be allowed in the training room or the conference room. Beverages will be allowed. When finished with your drink, please throw the container in the proper receptacle. Also, we would appreciate your cleaning up any spills or drips you may make. Please leave the room clean and as you found it.

Since this is a Police Department and Fire Department, if any emergencies or catastrophes should occur, please know your meeting may be cancelled or ended quickly without much notice. Your safety is our utmost concern.

Please stay in your meeting area. Please do not try to roam in other parts of the building unescorted by department personnel.

Parking is limited behind the station, please park across the street at the Dale Street lot.
