Discuss future of the Committee – Chairman Pat Casey presented an option for not defending the Committee's existence before the Board of Selectmen in June. The Committee communicated last fall with the Planning Board about being an informal or ad hoc resource to them for economic development-related issues. The present members (Ann and Paul) agreed that the work is important but there is no commitment to this Committee in general. Ann and Paul are in favor of this proposal.

MDI Grant, Downtown Parking Study – The Committee reviewed the final draft of the Downtown Medfield Parking Study submitted in April by Nelson Nygaard. Pat reviewed some of the key findings from the February Open House.

Nelson Nygaard is scheduled to present to the Board of Selectmen at their meeting on June 5, 2018. All comments should be submitted by June 5th.
