Town Moderator

APPOINTMENTS TO THE MEDFIELD WARRANT COMMITTEE

2003-2014

In accordance with the Medfield Town Charter, the Moderator has the duty and privilege of appointing the members to the Warrant Committee. The Warrant Committee has an exceptionally important role in the legislative, administrative, and financial activities of the Town of Medfield. The committee reviews, evaluates, and makes recommendations to the town meeting regarding all warrant articles including the annual town operating and capital budgets. The Warrant Committee further fulfills all the duties and responsibilities of a finance committee as stipulated in the Massachusetts General Laws. Medfield's Warrant Committee has a proud and dedicated heritage of service to Medfield based upon collaborative deliberation, open dialogue, study and attention, and experience and insights. The following is a list of Warrant Committee members I have proudly appointed or re-appointed in my first twelve (12) terms as Medfield's Moderator. I thank all of them for their special service and commitment.
