Overview and Introduction:

Medfield Holding, LLC is now completing construction on Medfield's newest residential address at 71 North Street. This project involves the complete renovation and expansion of an existing property into eight 2-bedroom rental units.

Situated near the junction of State Routes 109 and 27, 71 North Street is located less than five miles from the MBTA Walpole Commuter Rail Station and is within a fifteen minute drive from US Route 1, Interstate 95, and Interstate 495. The Medfield Council on Aging provides transportation for local seniors and paratransit services are provided by the MBTA. Although Medfield is not well served by public transportation, the project site is within close walking distance to Medfield's town center which offers a variety of retail, professional, and medical services in addition to a grocer and several restaurants.

Under agreement with the Town of Medfield and the State of Massachusetts Department of Housing and Community Development (DHCD), two of these units will be affordable to low- and moderate-income tenants at below market rents. ***Note that these units are not subsidized. Applicants must have income sufficient to afford rent and utilities or have an existing rental subsidy that will allow them to do so.***

Each affordable unit has 2 bedrooms, 1 bathroom and feature in-unit washers and dryers. Free on-site parking is included. The units have 860 and 889 square feet respectively. These units will rent for \$1,678 per month. ***Rents do not include utilities, which will be paid by the tenant. These rents have been reduced by a utility allowance based on average utility costs for similar units in the area – utilities are estimated at \$147 per month.*** Heat, hot water and cooking are provided by economical natural gas.

Applicants who currently live in Medfield, who work for the Town of Medfield or for a business located in Medfield or whose children attend Medfield schools can qualify for a local preference on one of the two units.

These units will remain affordable in perpetuity. A lottery will be held to select the first tenants for the affordable units. Interested applicants must complete the application included in this *Information and Application Package* and submit all required documentation by the application deadline.

Community Opportunities Group, Inc., under contract with the developer, will accept applications and conduct a lottery for eligible applicants. The application and lottery process as well as the eligibility requirements are described in this document. An application with instructions is also included in this package. **Only applications that are complete, signed, submitted by the application deadline, and meet the eligibility requirements will be entered into the lottery.**

Completed applications, *with all supporting documents* must be received by Community Opportunities Group, Inc. no later than **Monday, May 20, 2019 at 12:00 p.m.** ***Applications received after the deadline or which are not complete and signed will not be eligible and will not be placed in the lottery.***

Applications will be reviewed as they are received for completeness and every effort will be made to contact applicants by telephone and/or email to advise them of missing information. For this reason, applicants are STRONGLY URGED to submit applications as early as possible to ensure that they are received and are complete in time to be placed in the lottery.

Affirmative Fair Marketing Statement

Medfield Holdings, LLC will not discriminate in the selection of applicants or the rental of units on the basis of race, color, national origin, disability, age, ancestry, children, familial status, genetic information, marital status, receipt of public assistance, religion, sex, sexual orientation, gender identity, military/veteran status or any other basis prohibited by law.

Reasonable Accommodations

Persons with disabilities are entitled to request a reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the home.

Eligibility Requirements:

Selection of initial tenants for the affordable rental units at 71 North Street will be done through an application and lottery process. The availability of applications will be advertised for a period of 60 days prior to the application deadline. In order to be placed into the lottery for the affordable units, interested applicants must submit a complete, signed application (included in this package) along with all required documentation (see instructions and documentation list). Applications received by the deadline will be reviewed to determine whether they meet the eligibility requirements, and whether an accessible unit is required. Individuals with a financial interest in the development or who are related to the developer are not eligible.

Application Deadline: Monday, May 20, 2019 at 12:00 P.M.

Completed applications must be mailed to:

Community Opportunities Group, Inc.
129 Kingston Street – 3rd Floor
Boston, MA 02111

Attention: Medfield Housing Lottery

Applications received prior to the deadline will be pre-screened for completeness, income eligibility, and for minority and local preference status. Ineligible applicants will be notified of the reasons they are ineligible. Eligible applicants will be placed into the lottery pools for which they qualify (local preference and general). Eligible applicants will be notified regarding the preference pool(s) for which they qualify, their assigned application number to be used in the lottery, and any further information deemed necessary.

Public Information Session:

A public information session will be held April 24, 2019 at 6:00 p.m. at Medfield Town Hall, 459 Main Street, Medfield 2nd floor meeting room, at which interested applicants may obtain an application and learn about the development, the affordable housing units, the eligibility criteria and the lottery and will have an opportunity to ask questions. Attendance is not required, but it is strongly encouraged.

Income and Assets:

In order to be eligible to rent an affordable unit at 71 North Street, annual income and assets must be within the guidelines listed below. In addition to the maximum allowable incomes, if selected in the lottery to rent a unit, applicants will be required to show sufficient income be able to afford the unit. Generally tenants should not be paying more than 40% of gross annual household income for rent and utilities (except that tenants who have rental subsidies such as Section 8 vouchers may use the voucher to document ability to pay). ***(Note: These units are not subsidized. Applicants must be able to afford rent and utilities or have a tenant-based rental subsidy that will cover the rent).***

Maximum Income

Eligible applicants must have a combined gross annual household income from all sources for members of the household of not more than 80% of area median income, as defined by HUD and adjusted for household size. According to the 2018 Income Guidelines released by HUD, 80% of the area median income for Medfield, MA and therefore the maximum allowable household income to qualify for an affordable rental unit at 71 North is:

Household Size	Maximum Income
1	\$56,800
2	\$64,900
3	\$73,000
4	\$81,100

Bonus pay, overtime pay or other compensation will be reviewed on a case-by-case basis.

Household size will be determined at the time the application is received. If a household member is pregnant at the time of application and provides medical documentation of this, the household size will be increased to account for the anticipated member.

Assets

While there is no maximum asset limit, applicants must document all assets as part of the application process. An amount equal to either actual income received (for example, interest on savings accounts) or an imputed interest rate equal to the current passbook rate published by HUD (currently 0.6%) – whichever is greater -- will be added to the income of the household for purposes of determining income eligibility.

Assets include all cash in savings accounts, checking accounts, certificates of deposit, bonds, stocks, retirement accounts, and the value of real estate holdings as outlined above, as well as other forms of capital investment. Applicants may not own a home (including in a trust). Assets do not include the value of cars, furniture, etc.

Retirement accounts, such as IRAs, 401(k) s, SEPs and pension funds that a household member is currently drawing upon for income will not be included in the asset total for purposes of calculating interest income but the amount being used as income will be calculated into the household's annual income total.

The Affordable Housing Lottery:

The Lottery will be held at 6:00 P.M. on Wednesday, May 22, 2019 at Medfield Town Hall, 459 Main Street, Medfield, MA in the 2nd floor meeting room. The Lottery is open to the public, but applicants need not be present at the Lottery unless they wish to be. All applicants will be notified by mail or email (if an email address is provided) of their status immediately following the lottery.

Lottery Pools and Local Preference:

There will be two lottery pools for 71 North Street as follows:

Local Preference Pool:

Applicants may qualify for a local preference if they submit documentation showing that they fall into one of the following categories:

- Current Medfield Residents;
- Employees of the Town of Medfield;
- Employees of Businesses located in Medfield; or
- Families with children attending Medfield public schools

General Pool – for all eligible applicants

Applicants who qualify for the local preference will be placed in both pools.

Minority Participation and Local Preference:

After the application deadline and prior to the lottery, the lottery administrator will review the percentage of minority applicants in the local preference pool. Should the percentage fall below the minority population of the geographic region (27%), a preliminary lottery will be held of minority applicants who do not have a local preference. In the order these are drawn, they will be added to the local preference pool until the percentage of minorities in the local preference pool meets the percentage of minority households in the geographic region or all minority applicants have been placed into the local preference pool, whichever first occurs.

Minority households are identified in accordance with the regulatory classifications established by HUD: Native American or Alaskan Native; Asian or Pacific Islander; African-American; Hispanic/Latino: or Cape-Verdean. Applicants are requested, but not required to provide this information. Applicants who do not choose to provide this information will be considered non-minority applicants.

Applicants are not required to provide racial information, but are advised that minorities who do so may increase their chances of being chosen in the lottery if the local pool does not contain a representative percentage of minority applicants.

Unit Distribution by Lottery Pool:

Of the two (2) affordable units available in this phase, applicants who qualify for a local preference will have priority for one (1). The remaining affordable unit will be assigned to applicants drawn from the General Pool.

Preference for Larger Households

There will be a preference as part of the lottery process to award units to a household that requires a two bedroom unit (defined as at least one person per bedroom with an assumption that couples will share a bedroom unless there are documented medical reasons not to). *Household preference overrides local preference where applicable.*

After the Lottery – Tenant Screening

While the lottery will determine the order in which applicants will have an opportunity to rent a unit at 71 North Street, being selected in the lottery does not guarantee a unit to an applicant. The application files, along with the waiting list order created by the lottery will be turned over to the 71 North Street Property Management Company at the conclusion of the lottery.

Applicants will then be screened as tenants in the normal fashion (credit checks, landlord references, ability to pay rent, etc.). The property managers may screen applicants selected in the lottery in a manner that is consistent with equal opportunity and state and federal fair housing regulations.

The Application:

A complete application will consist of the completed and signed application form, a signed disclosure form, and signed consent to affordable housing restriction form included in this package, as well as the required documentation of income, assets, and (if applicable) qualification for local preference. A checklist is included in this information package to assist you in putting together the needed documentation. The checklist is not part of the application and need not be submitted but is intended to help applicants know what documentation to submit for their particular circumstances.

71 North Street, Medfield

Consent to Affordable Housing Restrictions

You are applying for an affordable rental unit at below market rents. There are deed restrictions and regulatory agreements requiring the long terms use of this unit to house income-eligible tenants.

In addition to qualifying initially to rent a unit at 71 North Street, if you wish to renew your lease after the first year, you will be required to re-certify your income eligibility each year approximately 90 days before the end of your current lease.

Upon initial occupancy (when you first rent the unit) you must be determined to have a gross annual household income of no more than 80% of the area median income for your household size. (See income limits listed in the information and application package)

Upon lease renewal, you must again provide income and asset documentation, but you will continue to be eligible to rent the affordable unit at the affordable rent provided that your household income does not exceed 140% of the then-current income limits. (Income limits are adjusted annually by the U.S. Department of Housing and Urban Development). Should you cease to be income eligible under these guidelines you will be able to remain in the unit until the end of your current lease. At that time you must vacate the affordable unit.

You should be aware that your income eligibility for the affordable unit does not relieve you of the requirements to comply with all other lease obligations associated with your tenancy.

Paula Stuart, Lottery Administrator: Phone: 617-388-1331 Email: housinglottery@cogincorp.com

I understand and agree to abide by the requirements outlined above, to annually re-certify my income in accordance with the regulations and to comply with the terms of my lease if offered a unit at 71 North Street in Medfield.

Instructions:

Application Form

Part I of the application form collects information about the Applicant Household. Please provide the requested information. Applicant is the Head of Household. Co-Applicant is the spouse, partner or other adult who will sign the lease and reside in the unit. Additional Household members include every person who will live in the affordable home as a member of the household (including children). The Applicant's name goes on the first line. Social Security Numbers and Birthdates are required for each household member. Describe the Relationship to the Applicant for each household member (for example: Wife, Son, Daughter, Partner, Mother, Nephew, etc.)

Part II of the application allows the applicant to claim a Local Preference. To be eligible for a local preference, at least one member of the applicant household must either 1) be a current resident of Medfield; 2) be a current employee of the Town of Medfield; 3) be a current employee of a business located in Medfield; or 4) have children attending Medfield public schools. Proof of this must be provided (for example, for a current resident proof of residency would be in the form of a current utility bill, copy of Town census listing, etc). If you have a question about what proof to submit, please call Paula Stuart at 617-388-1331 and ask. Check the box

Part III of the application is optional, and designed to capture racial data on applicant households. You need not fill in this section. However, if you are a minority household (at least one household member falls into the listed minority categories) and do not qualify for a Local Preference, if the applicant pool that is eligible for a Local Preference does not equal or exceed the minority population of the area, a special pre-lottery drawing from among minority applicants will be held to add minority applicants to the Local Preference pool until the minority percentage of the Local Preference pool equals the percentage within the geographic area. For non-resident minority applicants, providing this information **may** increase your chances of renting a unit at 71 North Street.

Part IV of the application asks for information regarding the size of unit the applicant requires.

Part V of the application should be filled out regarding members of the applicant household who are over 18 years of age and registered as full-time student in a school or college. Please include a letter from the educational institution showing that the household member is a full time student, and the anticipated graduation date.

Part VI of the application captures income data for the applicant household. There is a page of the application to captures information about the Applicant, and a page for the Co-Applicant if there is one (these are the names that will be on the lease). Please fill in the requested information in the appropriate spaces. A section for the full-time occupation and income for the applicant and co-applicant is provided, as well as additional space to capture additional income from a part time job, alimony or child support, retirement or investment income, etc. There is an additional page to collect information about incomes of additional household members. You may copy this page for

additional household members if you need to include more household members. You must provide documentation of all income (see the application form and the checklist at the end for guidance). Please provide documentation that is current with the application date (most recent time period). Should you have any questions, please contact Paula Stuart at COG for guidance before submitting your application. (See Appendix A for guidance regarding what documentation to submit for specific types of income).

Part VII of the application captures information about household assets. Assets include liquid assets such as cash in savings and checking accounts, real estate, investment accounts (stocks, bonds, mutual funds, etc). Please indicate in whose name(s) each account is held. If a listed asset has a set interest rate, (such as a savings account) show the interest rate (example: if your savings account pays 0.5% interest, list 0.5% in the column for interest rate). The current balance should include the principal balance (or value if a non-cash asset) as of the most recent statement. Please include documentation as outlined in the application package and checklist.

Part VIII of the application is for signatures and certifications by the Applicant and Co-Applicant. Please read the certification statements and sign this page.

Part IX of the application is not for the applicant to complete, but will be used by Community Opportunities Group, Inc., as the developer's Marketing and Lottery Agent, to pre-screen applications for eligibility and inclusion in the Lottery.

Disclosure Form

Please check off all applicable items and sign the Disclosure form included in the Information and Application Package. Include the signed form with your application.
