Review your Recycling – Did you know that the most important thing we can do for recycling is to keep the recycling stream “clean”? Bring your recycling to the booth and have a conversation with a TSARC member about recycling and see if you're recycling right. Through a generous donation from Medfield Green/Medfield's Savvy Women's Alliance, we are able to give out a \$3 gift card to Dunkin' Donuts to the first 50 people sharing their recycling and having a conversation. You may have wondered “is this recyclable?” Come find out! Limit 1/household please.

Book Donations - Donate books and media in good condition to help the Friends of the Medfield Library raise funds for the Medfield Public Library. Books and media are also accepted at the library whenever the Medfield Library is open. Books are sold in the Friends Bookstore on the main floor of the library. Everything in the store is half price on the last Saturday of the month, except May. Thank you for your support!

Styrofoam – – WHITE ONLY! We will accept packing blocks and clean coolers. Remove cardboard, tape, and labels. **Will NOT accept:** Food-touched Styrofoam, colored foam products, foam cups, biodegradable foams, produce and meat-trays, polyurethane foam (PU), egg cartons, soft foam pads, pipe insulation.

PLEASE take CLEAN, REUSABLE Styrofoam PEANUTS to Express Business Center (258A Main St., Medfield 508-359-7444), or Postal Center (14 Milliston Rd B, Millis, 508-376-1200). AFTER Oct 26, NEXT STYROFOAM COLLECTION IS PLANNED FOR a Saturday in early January. WATCH FOR DETAILS as market conditions are very fluid at this time.
