Moe and Nick,

Here is the background on the applicability of the additional insurance costs for the Mt. Nebo Tank Rehabilitation Change Order:

The additional cost of \$33,396 shown in Change Order #2 is for project insurance premiums requested by the contractor, Inspec Coatings, Inc. The costs include 12 additional months insurance coverage from March 2020 to March 2021 due to the contract schedule being extended thru the end of 2020 as part of Change Order #1. The one year delay in the project schedule has been due to the telecommunication companies (AT&T, T-Mobile, and Sprint) needing time to discuss, formulate a plan to remove antennas and related equipment from the Mt. Nebo Tank, and execute the plan prior to Inspec Coatings mobilizing to the site in September 2020. The original estimated completion time for the Mt. Nebo Rehabilitation project was the end of 2019. Now, the revised schedule is for completion by the end of 2020 (12-month delay).

The insurance costs have been verified to be direct costs for Inspec Coatings to perform the project as documented by their insurance agent, Kerman Insurance Agency of Powell, OH. Inspec Coatings original contract price included one year of project insurance premiums. Environmental Partners confirmed the \$33,396 in insurance premium costs are for the liability coverages (General, Commercial, and Automobile) specified by the contract.

Please contact me directly if you need any additional information prior to the Select Board's meeting on August 11th.

Take care,

**RE: Change Order #02: Additional Insurance Costs and Time Extension
Mt. Nebo Tank Rehabilitation Project**

Dear Mr. Goulet,

Environmental Partners (EP) has prepared this change order (Change Order #03) for the following items:

1. Inspec Coatings, Inc. has requested additional payment to maintain insurance throughout the remainder of the project. A change order was issued for this project dated March 3, 2020 that postpones work until September 2020. The delay was needed to allow time for telecommunication companies to formulate a plan to remove antennas and other related equipment from the tank. This delay has caused Inspec Coatings to incur additional costs to maintain their insurance policy through the end of the updated policy term of March 30, 2021, an additional 12-months.

A change order was prepared by EP in April 2020. However, the Board of Water Commissioners needed additional information on the breakdown of insurance costs from Inspec Coatings, Inc. Inspec Coatings, through their insurance agent, Kerman Insurance Agency, Powell, OH, confirmed to EP that there are two current insurance policies specific to the Mt. Nebo Tank Rehabilitation Project for General and Employers Liability, and Auto Liability. The annual premium of the two policies to Inspec Coatings is \$2,783 per month.

Therefore, the updated total cost to maintain insurance for an additional 12-months at \$2,783 per month is an increase in contract cost of **Thirty Three Thousand Three Hundred Ninety Six Dollars and Zero Cents (\$33,396.00)**. Attached to this change order is the change order form (EJCDC C-941), and backup invoicing information from Inspec Coatings.

2. The Town of Medfield has chosen to postpone the rehabilitation work from Spring 2020 until Late Summer 2020. This change is required to provide additional time for telecommunication companies to formulate a plan to remove antennas and other related equipment from the tank. EP estimates the start of work by Inspec Coatings will begin on September 14, 2020. Therefore, the new Contract Substantial Completion Date shall be extended to November 13, 2020.

Please feel free to contact me at (617) 657-0200 or rjp@envpartners.com with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read 'RJP', is positioned above the printed name.

Eric-Ryan:

Please see the attached Erie Insurance general insurance account status for 2020.

Please note that the annual cost for 2020 totals: \$33,412.00

We paid on April 7, 2020 the monthly premium of \$3711.18, as can be seen on our Huntington Bank statement which is attached.

and as can be see the balance due on the total annual cost is: \$29,700.12

Hence the 6 months delay of the start up and hence extra insurance cost based on average \$3711.88 per x 6 months= \$22,271.28

Please review and proceed with issuing a change order for this amount.

Please reply if any questions.

Sincerely,

Mike Maillis

Ryan:

In follow up to our conversation I have attached the Certificate of Insurance provided on behalf of
Inspec Coatings for the Mt. Nebo tank project.

The COI references 2 current policies for Inspec which are Erie Insurance Co. policies Q39-3050793
which includes General Liability and Employers Liability as required by their contract with the
Town of Medfield. The contract also requires Auto Liability which is evidenced as policy Q03-8030239.
The annual premium of these two policies is \$14,753 and \$18,654, respectively.

The premium expense of these two policies to Inspec Coatings is \$2,783 per month.

If I can provide any additional information please don't hesitate to call me.

Sincerely,

William Carrico
MEDFIELD, TOWN OF
459 MAIN ST
MEDFIELD, MA 02052

EMW-2019-FG-00904

Dear William Carrico,

Congratulations on behalf of the Department of Homeland Security. Your application submitted for the Fiscal Year (FY) 2019 Assistance to Firefighters Grant (AFG) Grant funding opportunity has been approved in the amount of \$211,428.57 in Federal funding. As a condition of this grant, you are required to contribute non-Federal funds equal to or greater than 5.00% of the Federal funds awarded, or \$10,571.43 for a total approved budget of \$222,000.00. Please see the FY 2019 AFG Notice of Funding Opportunity for information on how to meet this cost share requirement.

Before you request and receive any of the Federal funds awarded to you, you must establish acceptance of the award through the FEMA Grants Outcomes (FEMA GO) system. By accepting this award, you acknowledge that the terms of the following documents are incorporated into the terms of your award:

- Summary Award Memo - included in this document
- Agreement Articles - included in this document
- Obligating Document - included in this document
- 2019 AFG Notice of Funding Opportunity (NOFO) - incorporated by reference

Please make sure you read, understand, and maintain a copy of these documents in your official file for this award.

Sincerely,

Summary Award Memo

Program: Fiscal Year 2019 Assistance to Firefighters Grant

Recipient: MEDFIELD, TOWN OF

DUNS number: 073798068

Award number: EMW-2019-FG-00904

Summary description of award

The purpose of the Assistance to Firefighters Grant program is to protect the health and safety of the public and firefighting personnel against fire and fire-related hazards. After careful consideration, FEMA has determined that the recipient's project or projects submitted as part of the recipient's application and detailed in the project narrative as well as the request details section of the application - including budget information - was consistent with the Assistance to Firefighters Grant Program's purpose and was worthy of award.

Except as otherwise approved as noted in this award, the information you provided in your application for FY2019 Assistance to Firefighters Grants funding is incorporated into the terms and conditions of this award. This includes any documents submitted as part of the application.

Amount awarded

The amount of the award is detailed in the attached Obligating Document for Award.

Article 1 Assurances, Administrative Requirements, Cost Principles, Representations and Certifications

DHS financial assistance recipients must complete either the Office of Management and Budget (OMB) Standard Form 424B Assurances – Non-Construction Programs, or OMB Standard Form 424D Assurances – Construction Programs, as applicable. Certain assurances in these documents may not be applicable to your program, and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances applicable to their program as instructed by the awarding agency. Please contact the DHS FAO if you have any questions. DHS financial assistance recipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at Title 2, Code of Federal Regulations (C.F.R.) Part 200, and adopted by DHS at 2 C.F.R. Part 3002.

Article 2 DHS Specific Acknowledgements and Assurances

All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. 1. Recipients must cooperate with any compliance reviews or compliance investigations conducted by DHS. 2. Recipients must give DHS access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance. 3. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports. 4. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance. 5. Recipients of federal financial assistance from DHS must complete the DHS Civil Rights Evaluation Tool within thirty (30) days of receipt of the Notice of Award or, for State Administering Agencies, thirty (30) days from receipt of the DHS Civil Rights Evaluation Tool from DHS or its awarding component agency. Recipients are required to provide this information once every two (2) years, not every time an award is made. After the initial submission for the first award under which this term applies, recipients are only required to submit updates every two years, not every time a grant is awarded. Recipients should submit the completed tool, including supporting materials to CivilRightsEvaluation@hq.dhs.gov. This tool clarifies the civil rights obligations and related reporting requirements contained in the DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS. The evaluation tool can be found at <https://www.dhs.gov/publication/dhs-civil-rights-evaluation-tool>. 6. The DHS Office for Civil Rights and Civil Liberties will consider, in its discretion, granting an extension if the recipient identifies steps and a timeline for completing the tool. Recipients should request extensions by emailing the request to CivilRightsEvaluation@hq.dhs.gov prior to expiration of the 30-day deadline.

Article 3	Acknowledgement of Federal Funding from DHS Recipients must acknowledge their use of federal funding when issuing statements, press releases, requests for proposal, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.
Article 4	Activities Conducted Abroad Recipients must ensure that project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.
Article 5	Age Discrimination Act of 1975 Recipients must comply with the requirements of the Age Discrimination Act of 1975, Pub. L. No. 94-135 (1975) (codified as amended at Title 42, U.S. Code, § 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving federal financial assistance.
Article 6	Americans with Disabilities Act of 1990 Recipients must comply with the requirements of Titles I, II, and III of the Americans with Disabilities Act, Pub. L. No. 101-336 (1990) (codified as amended at 42 U.S.C. §§ 12101–12213), which prohibits recipients from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities.
Article 7	Best Practices for Collection and Use of Personally Identifiable Information (PII) Recipients who collect PII are required to have a publicly available privacy policy that describes standards on the usage and maintenance of the PII they collect. DHS defines personally identifiable information (PII) as any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual. Recipients may also find the DHS Privacy Impact Assessments: Privacy Guidance and Privacy Template as useful resources respectively.
Article 8	Civil Rights Act of 1964 – Title VI Recipients must comply with the requirements of Title VI of the Civil Rights Act of 1964 (codified as amended at 42 U.S.C. § 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. DHS implementing regulations for the Act are found at 6 C.F.R. Part 21 and 44 C.F.R. Part 7.

Article 9 Civil Rights Act of 1968

Recipients must comply with Title VIII of the Civil Rights Act of 1968, Pub. L. No. 90-284, as amended through Pub. L. 113-4, which prohibits recipients from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (see 42 U.S.C. § 3601 et seq.), as implemented by the U.S. Department of Housing and Urban Development at 24 C.F.R. Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units—i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)—be designed and constructed with certain accessible features. (See 24 C.F.R. Part 100, Subpart D.)

Article 10 Copyright

Recipients must affix the applicable copyright notices of 17 U.S.C. §§ 401 or 402 and an acknowledgement of U.S. Government sponsorship (including the award number) to any work first produced under federal financial assistance awards.

Article 11 Debarment and Suspension

Recipients are subject to the non-procurement debarment and suspension regulations implementing Executive Orders (E.O.) 12549 and 12689, which are at 2 C.F.R. Part 180 as adopted by DHS at 2 C.F.R. Part 3000. These regulations restrict federal financial assistance awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities.

Article 12 Drug-Free Workplace Regulations

Recipients must comply with drug-free workplace requirements in Subpart B (or Subpart C, if the recipient is an individual) of 2 C.F.R. Part 3001, which adopts the Government-wide implementation (2 C.F.R. Part 182) of Sec. 5152-5158 of the Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101-8106).

Article 13 Duplication of Benefits

Any cost allocable to a particular federal financial assistance award provided for in 2 C.F.R. Part 200, Subpart E may not be charged to other federal financial assistance awards to overcome fund deficiencies; to avoid restrictions imposed by federal statutes, regulations, or federal financial assistance award terms and conditions; or for other reasons. However, these prohibitions would not preclude recipients from shifting costs that are allowable under two or more awards in accordance with existing federal statutes, regulations, or the federal financial assistance award terms and conditions.

Article 14	Education Amendments of 1972 (Equal Opportunity in Education Act) – Title IX Recipients must comply with the requirements of Title IX of the Education Amendments of 1972, Pub. L. No. 92-318 (1972) (codified as amended at 20 U.S.C. § 1681 et seq.), which provide that no person in the United States will, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance. DHS implementing regulations are codified at 6 C.F.R. Part 17 and 44 C.F.R. Part 19.
Article 15	Energy Policy and Conservation Act Recipients must comply with the requirements of the Energy Policy and Conservation Act, Pub. L. No. 94- 163 (1975) (codified as amended at 42 U.S.C. § 6201 et seq.), which contain policies relating to energy efficiency that are defined in the state energy conservation plan issued in compliance with this Act.
Article 16	False Claims Act and Program Fraud Civil Remedies Recipients must comply with the requirements of the False Claims Act, 31 U.S.C. §§ 3729-3733, which prohibits the submission of false or fraudulent claims for payment to the federal government. (See 31 U.S.C. §§ 3801-3812, which details the administrative remedies for false claims and statements made.)
Article 17	Federal Debt Status All recipients are required to be non-delinquent in their repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowances, and benefit overpayments. (See OMB Circular A-129.)
Article 18	Federal Leadership on Reducing Text Messaging while Driving Recipients are encouraged to adopt and enforce policies that ban text messaging while driving as described in E.O. 13513, including conducting initiatives described in Section 3(a) of the Order when on official government business or when performing any work for or on behalf of the federal government.
Article 19	Fly America Act of 1974 Recipients must comply with Preference for U.S. Flag Air Carriers (air carriers holding certificates under 49 U.S.C. § 41102) for international air transportation of people and property to the extent that such service is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974, 49 U.S.C. § 40118, and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981, amendment to Comptroller General Decision B-138942.
Article 20	Hotel and Motel Fire Safety Act of 1990 In accordance with Section 6 of the Hotel and Motel Fire Safety Act of 1990, 15 U.S.C. § 2225a, recipients must ensure that all conference, meeting, convention, or training space funded in whole or in part with federal funds complies with the fire prevention and control guidelines of the Federal Fire Prevention and Control Act of 1974, (codified as amended at 15 U.S.C. § 2225.)

Article 21 Limited English Proficiency (Civil Rights Act of 1964, Title VI)

Recipients must comply with Title VI of the Civil Rights Act of 1964, (42 U.S.C. § 2000d et seq.) prohibition against discrimination on the basis of national origin, which requires that recipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. For additional assistance and information regarding language access obligations, please refer to the DHS Recipient Guidance: <https://www.dhs.gov/guidance-published-help-department-supported-organizations-provide-meaningful-access-people-limited> and additional resources on <http://www.lep.gov>.

Article 22 Lobbying Prohibitions

Recipients must comply with 31 U.S.C. § 1352, which provides that none of the funds provided under a federal financial assistance award may be expended by the recipient to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any federal action related to a federal award or contract, including any extension, continuation, renewal, amendment, or modification.

Article 23 National Environmental Policy Act

Recipients must comply with the requirements of the National Environmental Policy Act of 1969 (NEPA), Pub. L. No. 91-190 (1970) (codified as amended at 42 U.S.C. § 4321 et seq.) and the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of NEPA, which require recipients to use all practicable means within their authority, and consistent with other essential considerations of national policy, to create and maintain conditions under which people and nature can exist in productive harmony and fulfill the social, economic, and other needs of present and future generations of Americans.

Article 24 Nondiscrimination in Matters Pertaining to Faith-Based Organizations

It is DHS policy to ensure the equal treatment of faith-based organizations in social service programs administered or supported by DHS or its component agencies, enabling those organizations to participate in providing important social services to beneficiaries. Recipients must comply with the equal treatment policies and requirements contained in 6 C.F.R. Part 19 and other applicable statutes, regulations, and guidance governing the participations of faith-based organizations in individual DHS programs.

Article 25 Non-supplanting Requirement

Recipients receiving federal financial assistance awards made under programs that prohibit supplanting by law must ensure that federal funds do not replace (supplant) funds that have been budgeted for the same purpose through non-federal sources.

Article 26 Notice of Funding Opportunity Requirements

All the instructions, guidance, limitations, and other conditions set forth in the Notice of Funding Opportunity (NOFO) for this program are incorporated here by reference in the award terms and conditions. All recipients must comply with any such requirements set forth in the program NOFO.

Article 27 Patents and Intellectual Property Rights

Recipients are subject to the Bayh-Dole Act, 35 U.S.C. § 200 et seq, unless otherwise provided by law. Recipients are subject to the specific requirements governing the development, reporting, and disposition of rights to inventions and patents resulting from federal financial assistance awards located at 37 C.F.R. Part 401 and the standard patent rights clause located at 37 C.F.R. § 401.14.

Article 28 Procurement of Recovered Materials

States, political subdivisions of states, and their contractors must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965), (codified as amended by the Resource Conservation and Recovery Act, 42 U.S.C. § 6962.) The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition.

Article 29 Rehabilitation Act of 1973

Recipients must comply with the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112 (1973), (codified as amended at 29 U.S.C. § 794,) which provides that no otherwise qualified handicapped individuals in the United States will, solely by reason of the handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Article 30 Reporting of Matters Related to Recipient Integrity and Performance

If the total value of any currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this federal award, then the recipients must comply with the requirements set forth in the government-wide Award Term and Condition for Recipient Integrity and Performance Matters located at 2 C.F.R. Part 200, Appendix XII, the full text of which is incorporated here by reference in the award terms and conditions.

Article 31 Reporting Subawards and Executive Compensation

Recipients are required to comply with the requirements set forth in the government-wide award term on Reporting Subawards and Executive Compensation located at 2 C.F.R. Part 170, Appendix A, the full text of which is incorporated here by reference in the award terms and conditions.

Article 32 SAFECOM

Recipients receiving federal financial assistance awards made under programs that provide emergency communication equipment and its related activities must comply with the SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications.

Article 33 Terrorist Financing

Recipients must comply with E.O. 13224 and U.S. laws that prohibit transactions with, and the provisions of resources and support to, individuals and organizations associated with terrorism. Recipients are legally responsible to ensure compliance with the Order and laws.

Article 34 Trafficking Victims Protection Act of 2000 (TVPA)

Recipients must comply with the requirements of the government-wide financial assistance award term which implements Section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), codified as amended at 22 U.S.C. § 7104. The award term is located at 2 C.F.R. § 175.15, the full text of which is incorporated here by reference.

Article 35 Universal Identifier and System of Award Management (SAM)

Recipients are required to comply with the requirements set forth in the government-wide financial assistance award term regarding the System for Award Management and Universal Identifier Requirements located at 2 C.F.R. Part 25, Appendix A, the full text of which is incorporated here by reference.

Article 36 USA Patriot Act of 2001

Recipients must comply with requirements of Section 817 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act), Pub. L. No. 107-56, which amends 18 U.S.C. §§ 175–175c.

Article 37 Use of DHS Seal, Logo and Flags

Recipients must obtain permission from their DHS FAO prior to using the DHS seal(s), logos, crests or reproductions of flags or likenesses of DHS agency officials, including use of the United States Coast Guard seal, logo, crests or reproductions of flags or likenesses of Coast Guard officials.

Article 38 Whistleblower Protection Act

Recipients must comply with the statutory requirements for whistleblower protections (if applicable) at 10 U.S.C § 2409, 41 U.S.C. § 4712, and 10 U.S.C. § 2324, 41 U.S.C. §§ 4304 and 4310.

Article 39 Acceptance of Post Award Changes

In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/GMD Call Center at (866) 927-5646 or via e-mail to ASK-GMD@dhs.gov if you have any questions.

Article 40 Prior Approval for Modification of Approved Budget

Before making any change to the DHS/FEMA approved budget for this award, you must request prior written approval from DHS/FEMA where required by 2 C.F.R. § 200.308. DHS/FEMA is also utilizing its discretion to impose an additional restriction under 2 C.F.R. § 200.308(e) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the Federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from DHS/FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget DHS/FEMA last approved. You must report any deviations from your DHS/FEMA approved budget in the first Federal Financial Report (SF-425) you submit following any budget deviation, regardless of whether the budget deviation requires prior written approval.

Article 41 Disposition of Equipment Acquired Under the Federal Award

When original or replacement equipment acquired under this award by the recipient or its subrecipients is no longer needed for the original project or program or for other activities currently or previously supported by DHS/FEMA, you must request instructions from DHS/FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. § 200.313.

Article 42 Environmental Planning and Historic Preservation

DHS/FEMA funded activities that may require an EHP review are subject to FEMA's Environmental Planning and Historic Preservation (EHP) review process. This review does not address all Federal, state, and local requirements. Acceptance of Federal funding requires recipient to comply with all Federal, state and local laws. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize Federal funding. DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP Review process, as mandated by the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and, any other applicable laws and Executive Orders. To access the FEMA's Environmental and Historic Preservation (EHP) screening form and instructions go to the DHS/FEMA website at: <https://www.fema.gov/media-library/assets/documents/90195>. In order to initiate EHP review of your project(s), you must complete all relevant sections of this form and submit it to the Grant Programs Directorate (GPD) along with all other pertinent project information. Failure to provide requisite information could result in delays in the release of grant funds. If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archeological resources are discovered, applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

MassDOT announces \$1.3 million in Shared Streets & Spaces program funding awards

Fourth round of awards will support better facilities for bus riders, safe walking and biking to schools, traffic calming to reduce speeds and protect pedestrians, and reimagined roadways and parking areas for safe outdoor dining and recreation.

7/31/2020

Massachusetts Department of Transportation

BOSTON – BOSTON – The Massachusetts Department of Transportation (MassDOT) is announcing the award of more than \$1.3 million for the fourth round of funding in the Baker-Polito Administration’s Shared Streets & Spaces program. The program, which was launched on June 10, provides technical and funding assistance to help Massachusetts cities and towns conceive, design, and implement tactical changes to curbs, streets, on-street parking spaces and off-street parking lots in support of public health, safe mobility, and renewed commerce. This new round will provide \$1.3 million to projects in 17 municipalities, of which 64% are Environmental Justice communities.

The quick-build grant program provides grants as small as \$5,000 and as large as \$300,000 for municipalities to quickly launch changes to sidewalks, curbs, streets, on-street parking spaces and off-street parking lots in support of public health, safe mobility – including safe walking and biking to schools – and renewed commerce. These improvements can be intentionally temporary, in the style of tactical urbanism, or can be pilots of potentially permanent changes to streets and sidewalks. With the award of this new round of funding, the program will have given out a total of \$3 million to fund 38 projects in municipalities across the Commonwealth, of which 71% are Environmental Justice communities.

Cities and towns receiving fourth round Shared Streets & Spaces Program funding

- **Adams received \$22,500** to fund the installation of tables, chairs, umbrellas, dividers, and hand-sanitizer stations at two central locations: (1) Armory Court, recently renovated as an open plaza, and (2) near the Adams Visitors Center, which is located adjacent to the Ashuwillticook Rail Trail. All tables will be open for use by anyone, and the Town will provide historic and tourist information.
- **Bedford received \$62,666** to support (1) new and improved pedestrian signals near the Narrow Gauge Rail Trail and on a school route, with connections to the library,

Town Hall, and the VA hospital, (2) add delineators to mark off bicycle and pedestrian lanes, (3) provide cones and temporary paint to three neighborhoods to help residents mark out shared travel space, and (4) install parklets on Bedford Common and in other locations.

- **Dalton received \$70,441** to install solar-powered flashing safety beacons and new crosswalk markings on Main Street to improve pedestrian safety at the two pedestrian crossings at River Street and Depot Street, proximate to a school, senior housing, low-income housing, recreational fields, and a bus stop.
- **Dennis received \$25,000** to calm traffic and improve parking and pedestrian access to the village center, allow adjacent businesses to expand into private parking areas for outdoor dining and retail sales; and provide benches and tables to promote greater access for restaurants.
- **Edgartown received \$20,000** to temporarily support restaurants to create and/or expand seating areas on either private or public property, including in public roadways.
- **Great Barrington received \$69,955** to erect temporary barriers and signage to create a shared street on Railroad Street in downtown Great Barrington. The project will eliminate all on-street parking in favor of space for outdoor dining and entertainment in the street, which will in turn allow room on the sidewalks for retail racks and additional dining.
- **Holden received \$165,000** to install (1) three new ADA-compliant crosswalks and LED School Zone signs to serve Dawson Elementary School and (2) a flashing safety beacon to serve the Holden Pool Complex.
- **Lenox received \$29,989** to convert on- and off-street parking into outdoor dining areas, to include the pilot of traffic calming measures such as speed humps and new signage.
- **Lexington received \$30,200** to make a well-used walking route across Maple Street to Harrington Elementary School better and safer by adjusting the curb ramp to be ADA-compliant, installing a flashing safety beacon, and installing new signage. In addition to getting students safely across Maple Street, the improvements will provide individuals and families safe access to nearby fields, playground, and trails.

- **Maynard received \$31,525** to temporarily extend outdoor dining on private property, in a parking lot, and in a municipal parklet, and also calm traffic with the installation of speed radar signs and speed humps.
- **Medfield received \$11,500** to purchase materials for outdoor dining locations in public parks, sidewalks, and the front lawn of Town Hall. A local non-profit partner, Cultural Alliance of Medfield, will organize public art components, including painted murals.
- **Medford received \$223,000** to improve transit access to jobs and healthcare by connecting workers, especially essential workers and vulnerable populations, to the MBTA Orange Line in Environmental Justice areas of Medford and Somerville. Extending from Main Street in Medford to McGrath Highway (Route 28) in Somerville, this project will provide a dedicated inbound bus lane on Mystic Avenue (Route 38). The project will temporarily transform either a travel lane or a parking shoulder into a bus lane. The project, which is a partnership between Medford and Somerville, is a quick-build proof of concept with the potential to become permanent.
- **Melrose received two grants for a total of \$55,200** to create public parklets proximate to businesses and the MBTA Commuter Rail stations and to implement sidewalk extensions and traffic calming on residential streets.
- **Montague received \$35,300** to support (1) a temporary (painted) pedestrian sidewalk with refuge islands/curb extensions, (2) an improved crosswalk connecting Unity Park to the adjacent footpath, including solar-powered speed feedback signs to slow traffic, (3) temporary bumpouts at the 3rd and L Street intersection to calm traffic, and (4) a traffic calming 'gateway' using temporary curbs, planters, paint, and barriers.
- **New Bedford received two grants for a total of \$148,395** to create multiple outdoor dining destinations and safe pedestrian spaces within the city.
- **Quincy received \$188,938** to calm traffic along Quincy Avenue and provide new, safe bicycle and pedestrian connections to the Harbor, Weymouth Landing MBTA Station, Quincy Center MBTA Station, and commercial areas within Quincy Center, and improve conditions for MBTA buses using new Transit Signal Priority technology.
- **Wellesley received \$61,312** to support increased biking and walking by creating bike parking along Washington Street, and connecting the Fuller Brook Path to the Crosstown Trail. It will also enable greater physical separation by expanding the

sidewalk areas and by transforming the on-street metered parking along the park at Washington Street and Worcester Street into ADA-compliant parklets for outdoor seating for dining, retail, and community activities.

The Baker-Polito Administration's Shared Streets & Spaces program will continue to make awards on a rolling basis for projects that can be implemented and used this summer and fall. MassDOT has allocated a total of \$5 million for this 100-day program. Applications are being accepted through September 29 and projects must be mostly or completely implemented by October 9. Preference will be given to projects that can be operational within 15-30 days of award, projects in designated Environmental Justice areas, and projects that show potential to be made permanent.

Types of projects may include:

- Shared Streets and Spaces: supporting increased rates of walking and/or biking by increasing safety and enabling social distancing.
- Outdoor Dining and Commerce: calming roadways, modifying sidewalks and streets, and/or repurposing on- or off-street parking to better support curbside/sidewalk/street retail and dining.
- Better Buses: supporting safer and more reliable bus transit, including expanded bus stops and lanes dedicated for bus travel, (extra scoring credit will be granted for dedicated bus lanes).
- Safe Routes to School: creating safe routes to schools and other programs for children and youth, including safer walking and biking networks with lowered vehicle speeds.

The Baker-Polito Administration launched the Shared Streets & Spaces program to support quick-build projects that can bring meaningful benefits to cities and towns. The program is modeled after the Administration's Complete Streets Funding Program, created in February 2016, which, as of January 2020, has awarded a total \$46 million to cities and towns for municipal projects improving infrastructure to improve safety for pedestrians, bicyclists, motorists and public transportation customers. The Administration included \$20 million for the Complete Streets Program as part of the Administration's \$18 billion transportation bond bill which was filed in July 2019.
