The Board of Health is asking that residents follow the CDC and the Massachusetts Department of Public Health guidance in order to most safely celebrate Halloween amid the ongoing coronavirus pandemic. With these guidelines in mind, the Board of Health recommends you keep Halloween activities outside, maintain social distancing, wear a protective face mask (instead of, or in addition to, a costume mask), and maintain good hand washing. As a reminder, any Halloween activities are subject to [Governor Baker's order on gathering size limits](#).
