July 1, 2022

To: Residents of Medfield
From: Department of Public Works

Dear Medfield Resident,

This letter is to inform you that we will be conducting roadway surface treatments on the following streets beginning next week July 5th and 6th.

Evergreen Way, Kamark Drive, Longmeadow Road, Spring Valley Road, Stonybrook Road, Surrey Run and Woodfall Road.

The contractor for this activity will be All States Asphalt from Holliston, Massachusetts. There may be delays in the schedule if there are issues with weather or mechanical breakdowns.

Please keep irrigation systems off near the roadways as the water will delay operations. The construction activity will be accomplished during the day. We apologize in advance for any inconveniences this may cause you.

If you have any questions regarding the schedule, please contact the Medfield Department of Public Works at (508) 906-3003. Thank you for your cooperation and understanding as we try to improve our roadway network in the Town of Medfield.
