### NOTICE OF FILING, REQUEST FOR COMMENTS, AND PUBLIC HEARING

D.P.U. 22-109

October 26, 2022

Petition of the Town of Medfield for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c 164, § 134.

On September 28, 2022, the Town of Medfield (“Town”) filed a request with the Department of Public Utilities (“Department”) for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program (“Program”). Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the Program unless they chose to opt-out, in which case they would continue to receive basic service provided by their electric distribution company, NSTAR Electric Company, d/b/a Eversource Energy. The Department docketed this petition as D.P.U. 22-109.

The Town has retained Good Energy, L.P., to serve as its agent and consultant in this proceeding and to assist in the implementation of the Program. The Town seeks a waiver on its own behalf and on behalf of the competitive electric supplier(s) chosen for the Program, of certain information disclosure requirements contained in G.L. c 164 § 1F(6) and 220 CMR 11.06(4)(c).

**Due to certain ongoing safety measures and precautions relating to in-person events as a result of the COVID-19 pandemic, the Department will conduct a virtual public hearing to receive comments on the Town’s filing.** The Department will conduct the hearing using Zoom videoconferencing on **Tuesday, November 22, 2022** beginning at **2:00 p.m.** Attendees can join by entering the link, <https://us06web.zoom.us/j/84328568341>, from a computer, smartphone, or tablet.
