**Re: Appointments to the School Building Committee**

Good afternoon:

Pursuant to the authority granted to the Town Moderator by the Bylaws of the Town of Medfield, it is my honor to make the following appointments to the School Building Committee:

- **Mather Eldred** of Granite Street is my appointment as a member of the Warrant Committee.
- **Robert Meaney** of Main Street is my appointment fulfilling the requirement of the bylaw for a "senior Medfield resident sixty-five (65) years of age or over."
- **Carolyn Casey** of South Street is appointed as a resident at large.
- **William C. Werner** of Garry Drive is appointed as a resident at large.

These volunteer appointees will bring a wealth of knowledge, experience, and insights to the work of the committee. I have great confidence in their integrity, capability, and commitment. I am equally confident in their ability to lead and participate in an open, intelligent, collaborative, and positive process that brings our community together and moves us forward on this very important project.

Thank you for your consideration.

Respectfully yours,

*Scott F. McDermott*
