Town of Medfield Goals

What we have heard so far:

- Survey and marker layout
- Site preparation as needed
- Plot arrangement – generally plots laid in quads with headstone in center
- Grading out the area/ Wall design – Retaining, entry wall and gateway
- Planting – consider some flowering trees along perimeter (no large shade trees)
- New waterline for new section with spigots
- Road design
- Drainage

Norfolk Engineers - Site Plan (Developed in 1990)
