

ARTICLE 27

WARRANT COMMITTEE MEMBER: ROBERT SLINEY

Article 27. Water Conservation: Private Well Restrictions

To see if the Town will vote to amend The Code of the Town of Medfield Chapter 270 Water Article I Water Conservation: Water Use Restriction and Ban as follows:

Section 270-3 Application and Exemptions Subsection A:

Strike existing language and replace with: Water supply conservation measures apply both to public water supply and private well owners or users,

Section 270-4 Definitions:

Medfield Water Supply: Add, at end of existing sentence: and private wells

Person: Strike existing language and replace with: Any individual, corporation, trust, partnership, or association or other entity located in Medfield and who is either connected to the Medfield water supply or owns or uses a private well to supply water.

Section 270-5 Declaration of state of water supply conservation

Add, at end of second sentence: as well as to private well owners or users

or do or act anything in relation thereto.

NO POSITIVE MOTION.

Move to Dismiss Article 27, it is our understanding that the Select Board will take the year to review and study this issue and may bring back an article for the 2024 Annual Town Meeting.

Summary: *The Town of Medfield Code Chapter 270 water conservation use restriction only applies currently to public water supply owners or users. This article will amend the current bylaw to include private well owners or users.*
