

Renderings of Proposed Canopies at
Medfield High School
Memorial School &
Blake Middle School

Provided by Solect
June 1, 2023

Note: These renderings are intended for conceptual purposes. The final system design will be similar. However, there will be specific pieces of equipment added to the vertical posts. Medfield can choose a color. Lastly, the exact location of the footing and design is pending final engineering and they will be subject to the geotech studies etc.

View of proposed High School canopy.
Standing just off the road that comes from the Middle School looking toward the stadium.

View of proposed High School canopy from Phillip Street, across the field area

View of proposed
Memorial canopy from
North Street.
