## Medfield Elementary School Project Sites

(All info gathered from 2019 and 2020 OPM reports from last School Building Committee)

- 201 town owned sites
- 50 sites owned by town are adequately sized for a school
- 6 sites out of 50 that are free of wetlands, various legal designations and not too remote from town center
- **Dale St. Site**
  - o No legal or community issues
  - o Zoned educational
  - o .6 miles from town center
- **Wheelock Site**
  - o No legal or community issues
  - o Zoned educational
  - o 1.3 miles from town center
- **Hospital Hill/Sledding Hill Site**
  - o Municipal use not included in agreement with DCAMM
  - o No utilities and remote location may increase operational costs
  - o Loss of usable recreational area
- **McCarthy Park Site**
  - o Park and Rec has control of site
  - o Article 97 Land (?)
  - o Heavily used for school and community athletics
- **Red Gate Farm Site**
  - o Potential traffic and access issues related to narrow access roads
  - o Acquired in 2015 to preserve open space
  - o Likely no sewer access
  - o Article 97 land (?)
- **Hospital Campus**
  - o Historic buildings
  - o Has its own master plan
- **Metacomet Park**
  - o Close to downtown
  - o Heavily used for community athletics
  - o Researched prior?
