

TOWN OF MEDFIELD

TOWN ADMINISTRATOR UPDATE

KRISTINE TRIERWEILER

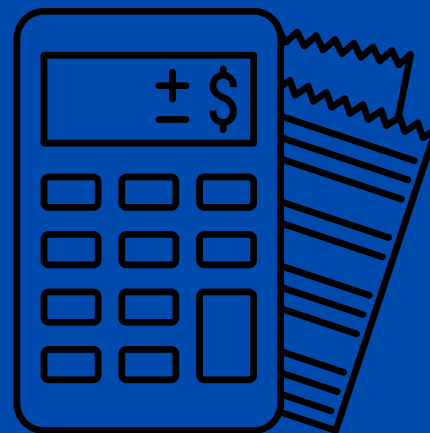

Board and Committee
Recognition Night

Town Administrator's Office

- Board and Committee recognition night was a success! We are already looking forward to next year's event
- We've officially kicked off the Fiscal Year 2025 budget process. We spent the majority of Oct meeting with all departments on their proposed budgets
- Our FY24 budget document has been awarded the Distinguished Budget Presentation Award from Government Finance Officers Association (GFOA) for the current fiscal period. This award is the highest form of recognition in governmental budgeting and marks the 2nd year we've received this award

Finance Team

- The Town Accountant's office has submitted the Town's Schedule A and Balance Sheet to the Division of Local Services
- The Town's Fiscal Year 2023 Free Cash was certified on October 13th for \$5,142,311
- Water/Sewer bills are due by December 1st. Please use Unibank to pay bills online using the link provided on the Treasurer/Tax Collector page of the website or checks can be dropped off in the green drop box located on Janes Ave

Public Works

- Installed new Slope Granite Curbing to protect landscaped island on Causeway and Main
- The Transfer Station will be open Sundays in November for yard waste/leaf disposal

Council on Aging

- On Oct 18 the COA held our first annual Health Fair where Medfield Public Health Nurse, Medfield Outreach, Police, Fire, DA Michael Morrissey's Office, and many other local organizations attended. Close to 70 flu shots were given, and at least 150 people came through. It was a great morning of wellness education for Medfield seniors. Giveaways were given by some of the local businesses. Susan Longmoore, Brenda Healy and myself are looking forward to planning next year's event

Land Use

- The Land Use Department will be hosting two public workshops in December! There will be a workshop on December 4th in which we are requesting resident's feedbacks about the type of businesses that they would like to see in our Industrial Extensive District (near Rte 27 and West Mill St intersection), and another workshop on December 14th regarding multi-family zoning requirements recently mandated by the State

Staff Highlight

- Sarah Hanifan, Director of Medfield Council on Aging first started at the COA as the volunteer coordinator in May, 2021
- Her favorite part of the job is working with all the seniors at the Center, planning special events, educational programs and knowing what we do each day makes a huge difference in the lives of all the participants. The Center is truly a special place. Each and everyday I love coming to work
- A fun fact: I was once contacted by the editor of Cosmo Bride in Australia to have my work published in their magazine! I used to have a business where I created wedding and other party decorations. I also had one of my banners hung at Mercedes Benz fashion week in NY
