# TOWN ADMINISTRATOR UPDATE

KRISTINE TRIERWEILER

## Town Administrator's Office

- The Town of Medfield's Permanent Planning and Building Committee and Board of Water and Sewerage are proud to announce the opening of Medfield's new Water Treatment Facility. This project has restored the available capacity of Wells 3 and 4 to their original levels. Well No. 3 was replaced and Well No. 4 was fully rehabilitated, allowing the Water Treatment Facility to supply over 60% of the Town's average daily demand. Historically, elevated levels of iron and manganese from the wellfield resulted in water quality complaints and operational challenges for the Town. The new Water Treatment Facility offers state-of-the-art treatment for the removal of iron and manganese from groundwater, ensuring compliance with drinking water standards.

# Fire Department

- The Executive Office of Public Safety and Security's (EOPSS's) Department of Fire Services (DFS) is awarding a total of \$6,900 to the Medfield Fire Department as a part of the DFS' Student Awareness of Fire Education (SAFE) Grant and Senior SAFE Grant. These competitive grants support fire and life safety education for school-age children and older adults.

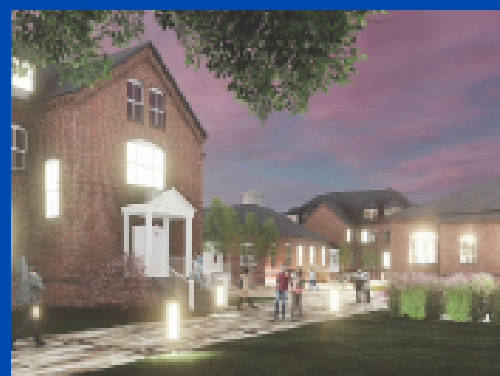

## Outreach

- Medfield Outreach is thrilled to announce that due to the generosity of the community and our partnerships with The Medfield Foundation, Medfield Parks and Recreation, and The Home Committee, we were able to support 44 weeks of summer camperships to Medfield youth. Thank you to this amazing community!!

## Trinity Financial Update

- Trinity's design team is progressing the architectural drawings, including site and floor plans, sections and elevations for the Medfield State Hospital Revitalization project. Upcoming coordination with the Town will involve public roadways, subsurface utilities, and offsite mitigation which are essential for advancing state and local permitting.
