Please include the following information with this application:

- ____ 1. Trainings and/or certifications from other jurisdictions
____ 2. Evidence of Practitioner Training and Experience as follows:

- ____ Blood-borne pathogen training program (or equivalent) which includes infectious disease control; waste disposal; handwashing techniques; sterilization equipment operation and methods; and sanitization, disinfection and sterilization methods and techniques; and
- ____ Current certification in First Aid and cardiopulmonary resuscitation (CPR). Examples of courses approved by the Board include "Preventing Disease Transmission" (American Red Cross) and "Blood-borne Pathogen Training" (US OSHA). Training/courses provided by professional body art organizations or associations or by equipment manufacturers may also be submitted to the Board for approval.
- ____ The applicant for a body piercing practitioner permit shall provide documentation, acceptable to the Board, that the applicant completed a course on anatomy and physiology with a grade of C or better at a college accredited by the New England Association of Schools and Colleges, or comparable accrediting entity. This course must include instruction on the system of the integumentary system (skin).
- ____ The applicant for a tattoo, microblading, branding or scarification practitioner permit shall provide documentation, acceptable to the Board, that they completed a course on anatomy and physiology with a grade of C or better at a college accredited by the New England Association of Schools and Colleges, or comparable accrediting entity. This course must include instruction on the system of the integumentary system (skin). Such other course or program as the Board shall deem appropriate and acceptable may be substituted for the anatomy course.
- ____ The applicant for all practitioners shall submit evidence satisfactory to the Board of at least two years actual experience in the practice of performing body art activities of the kind for which the applicant seeks a body art practitioner permit to perform, whether such experience was obtained within or outside of the Commonwealth.

By signing this application, I acknowledge that I have received, read and understand the requirements of the Medfield Board of Health Regulations for Body Art Establishments and Practitioners.
