To the Residents of Earl Kerr Road:

The Medfield Conservation Commission was notified that dumping within wetlands jurisdiction is occurring at the end of Earl Kerr Road. As you are aware, the Medfield Conservation Commission is charged with administering the Massachusetts Wetlands Protection Act, MA G.L. Chapter 131, Section 40, (the Act), its Rules and Regulations, 310 CMR 10.00, and Medfield Wetlands Bylaw, Chapter 290, (the Bylaw) and its Rules and Regulations.

This letter summarizes the violations of both the Massachusetts Wetlands Protection Act, MA G.L. Chapter 131, Section 40, (the Act), its Rules and Regulations, 310 CMR 10.00, and Medfield Wetlands Bylaw, Chapter 290, (the Bylaw) and its Rules and Regulation that were observed. The violations occurring under the Bylaw are subject to monetary fines and cleanup by the violator(s). Each listed violation is a separate violation.

The properties at the end of Earl Kerr Road are privately-owned properties with protected wetlands. The following violations at the end of Earl Kerr Road were reviewed from the public way, Earl Kerr Road:

- 1) Filling a wetlands (Bordering Vegetated Wetlands),
- 2) Altering a wetlands (Bordering Vegetated Wetlands), and
- 3) Working within a designated No-Disturb Resource Area.

These violations are serious and monetary fines can be levied on the violator(s). Therefore, all dumping of organic and non-organic materials shall cease and desist as of August 26, 2020. Each violation is a separate offense. Each day of the each violation is a new offense. Each offense can be fined up to \$300.

As a point of information, the Town of Medfield provides residents with an area for organic disposals at the Medfield Transfer Station on Route 27.

Please call the Conservation office at 508 906-3028 with any questions or comments.

Sincerely,
