Medfield School Building Committee

CALLING FOR NEIGHBORHOOD CAPTAINS!

- Do you want to be part of a successful future building project??? The SBC has been discussing a variety of ideas for involving and informing community members as we move forward with the Dale Street School building project. One idea is to create Neighborhood Captains. These individuals would help the SBC by sharing and gathering information. Though we are in the very early stages of planning, we envision a process in which the SBC members would provide support, fact sheets, links,... to the neighborhood captains who would then disseminate information. Having an informed, involved community is VITAL to creating a successful future building project! If you think this is a way that you could help the SBC, please send a brief email with your name and address to casey_sbc@medfield.net.
- Our next meeting is Wednesday, March 5, 2025 @7:00 PM. Please join us at the Public Safety Building. All our meetings are also available by ZOOM
