

TOWN OF MEDFIELD

TOWN ADMINISTRATOR UPDATE

KRISTINE TRIERWEILER

Medfield Day 2025

- Thank you to everyone who joined us for another wonderful Medfield Day, hosted by the Medfield Employers and Merchants Organization (MEMO). This year's celebration was filled with community spirit, local vendors, music, and activities for all ages. We were also honored to welcome Lieutenant Governor Kim Driscoll, who visited to enjoy the festivities and connect with residents. Medfield Day continues to be a highlight of the year, bringing our community together in celebration.

Visiting the Peak House Heritage Center

- Town staff recently had the opportunity to tour the Peak House Heritage Center, one of Medfield's most iconic landmarks and among the oldest surviving colonial homes in the country. Special thanks to Rob Gregg for leading us through the house and sharing its rich history. We encourage all residents to visit and experience this remarkable piece of Medfield's past. The final visitor day of the season is October 18th.

Kicking Off Our First Citizens Academy

- Medfield has officially launched its first-ever Citizens Academy. The program kicked off on September 9, 2025, bringing residents together to learn more about the departments and organizations that keep our town running. Over the course of eight sessions, participants will hear from department heads, tour facilities, and take part in hands-on activities.

Fire Department

- This past Saturday, the Medfield Fire Department welcomed the community to its annual Open House at 114 North Street. Families had the chance to meet our firefighters, explore the apparatus, and take part in hands-on demonstrations. Highlights included a Jaws of Life demonstration with special thanks to Assured Collision Inc., a delicious chicken BBQ by Pollard's Texas Que, and the always-popular Side-by-Side Sprinkler Burn Trailer in collaboration with the Massachusetts Department of Fire Services. Thank you to everyone who joined us for a fun and educational day!

Facilities Department

- At the Council on Aging, 20 years old existing carpeting has been replaced with carpet squares and vinyl tiles. The Center is a high traffic area that subjects the flooring to heavy wear and tear. The wood floors in the multipurpose and dining rooms were refinished, as well as the areas in the kitchen and classroom areas.

Council on Aging

- The Center at Medfield is excited to host the 3rd Annual Health and Wellness Fair on Wednesday, October 15, 2025, from 10:00 a.m. to 12:00 p.m. This year's fair will bring together representatives from local agencies to share valuable information on home health care, senior living options, home modification, home delivered meal services, community resources, and more. Flu vaccines and vision screenings will be available on-site. Mark your calendars and join us for this important event.

FREE GIVEAWAYS

- Bring your sensitive documents to the free Shredding Event on Monday, November 3, from 10:00 a.m. to 1:00 p.m. at The Center at Medfield, One Ice House Road. Sponsored by District Attorney Michael Morrissey, this event is open to all Medfield residents.

Police Department

- On Wednesday, October 1st, the Medfield Police Department held a Coffee with a Cop event at Starbucks on Main Street. Residents were invited to drop in between 10:00 a.m. and 1:00 p.m. to meet officers, ask questions, and share conversation in a casual setting. The event was a great chance for the community and police department to connect, and the department looks forward to continuing these opportunities in the future.
